95% of GCU graduates are employed or in further study within six months of graduating (HESA, 2018)
Welcome to Glasgow Caledonian University

We’re delighted that you’re considering making the next step from college to Glasgow Caledonian University (GCU) and we’re here to help you at every stage.

GCU is a vibrant, diverse and welcoming community and we create a learning environment that encourages students to fulfil their potential. You’ll be learning from leading academics and industry experts in modern facilities, and you’ll get the chance to create a great CV as many of our degree programmes include work experience, the chance to study abroad and volunteering opportunities in the UK and across the world.

Making the move to University
We know the move from college to University can be daunting but our dedicated College Connect team deliver a transition programme and a student mentoring scheme (many of the mentors made the move from college themselves) to help you make the transition and settle in.

Career-focused degrees
There are over 80 undergraduate degree programmes and the College Connect team can give you the support and info to enable you to make an informed decision about your next step. A GCU degree will build on the practical skills and knowledge you’ve gained at college with a focus on employability, leadership and social responsibility.

Join College Connect
Once you have an offer to study at GCU you can register to become a member of College Connect. You’ll receive a GCU student ID card, which will enable you to make the most of the excellent learning facilities during your college studies. College Connect Membership includes:
- Access to the Get Ahead programme, an early introduction to the essential services at GCU
- Visit and borrow study resources from the GCU library
- Access to GCU’s virtual learning environment, GCU Learn
- Join the The Arc, the on-campus gym and sports centre

How to apply
To start a full-time degree in September 2019 you should submit your application via UCAS by 15th January 2019. We may consider later applications but strongly advise you make your application by this deadline.

Entry routes from college
For details of entry requirements from college to specific degree programmes please see the course pages on the GCU website at www.gcu.ac.uk/study/undergraduate

We’re here to support you
And remember our dedicated College Connect team are on hand to answer any questions you have, get in touch -
E: collegeconnect@gcu.ac.uk
T: +44 (0) 141 273 1954
W: www.gcu.ac.uk/collegeconnect
74% of GCU’s undergraduate programmes offer work placements.

82% of our undergraduate courses are professionally accredited.

(Unistats, 2017)
Entry requirements from college

**BSc (Hons) 3D Animation and Visualisation**
Year 3 entry only
HND 3D Computer Animation (or equivalent) with an B in the Graded Units.

**Portfolio submission**
All applicants are required to submit a digital portfolio to gauge creative potential, motivation and suitability for the programme. Portfolios may be shortlisted to allow for an interview stage from a smaller pool of applicants.

**BA (Hons) Accountancy**
Year 3
HND Accounting with AAA in the Graded Units.

**BSc (Hons) Applied Biomedical Science/Biomedical Science**
Year 1
SWAP Access to Science at BBB. HNC in a relevant subject with B in the Graded Units and sufficient coverage of chemistry.

Year 2
15 credit HNC in relevant subject (must include Genetics unit) with A in the Graded Units.

Year 3
HND in relevant subject with AB in the Graded Units.

**BSc (Hons) Applied Psychology**
Year 1
SWAP Access to Humanities/Science at ABB.

Year 2
HNC Social Sciences with 15 credits and an A in the Graded Unit - must include Psychology A, B and Research Methods.

Year 3
HND Social Sciences with Graded Units AAB including Psychology A, B, C, D and Research Methods.

**BSc (Hons) Audio Technology**
Year 1
SWAP Access to STEM programme at BBB.

Year 3
HND Sound Production or equivalent with B in the Graded Units. In addition to the HND requirements, applicants will be invited to an interview as part of the admissions process. Interviews will be held during February and March.

**LLB Bachelor of Laws**
Year 2
HND Legal Services Graded Units AAA. Shortlisted applicants will be invited to attend an interview.
### BEng (Hons) Building Services Engineering

**UCAS code:** K242

**Year 1**
SWAP Access to STEM programme at BBB.

**Year 2**
15 credit HNC in either Mechanical Engineering or Electrical Engineering or Building Services Engineering with a B in the Graded Unit. Other related HNC qualifications may be considered.

**Year 3**
HND in either Mechanical Engineering or Electrical Engineering or Building Services Engineering or Sustainable Design with a B in the Graded Units. Other related HND qualifications may be considered.

**Part-time entry**
**Year 1**
HNC Building Services, Mechanical or Electrical Engineering (or equivalent).

**Year 2**
HND Building Services, Mechanical or Electrical Engineering (or equivalent) with a B in the Graded Units.

**Part-time employment requirements**
Part-time applicants must be in full-time relevant employment and sponsored by their employer.

---

### BSc (Hons) Building Surveying

**UCAS code:** K230

**Year 1**
SWAP Access to STEM programme at BBB.

**Year 2**
HNC Built Environment subject with a B in the Graded Unit.

**Year 3**
HND Building Surveying with A in the Graded Unit 2, other Built Environment HND programmes may be considered. Due to the client facing nature of Building Surveying, a good command of written and spoken communication is considered necessary. In addition, basic CAD skills are essential. This applies to both Year 2 and Year 3 entry.

**Part-time entry**
**Year 2**
HNC Built Environment with B in the Graded Unit.

**Year 3**
HND Built Environment with A in the Graded Unit.

**Part-time employment requirements**
Part-time applicants must be in full-time relevant employment and sponsored by their employer.

---

### BA (Hons) Business Management

**UCAS code:** 8J9J

**Year 1**
SWAP Access to Humanities at ABB.

**Year 3**
HND Business or HND Administration and IT with AB/ABB in the Graded Units. Other business-related HND programmes may be considered.

---

### BSc (Hons) Cell and Molecular Biology

**UCAS code:** C760

**Year 1**
SWAP Access to Science programme at BBB. HNC in a relevant subject with a B in the Graded Units and sufficient coverage of chemistry.

**Year 2**
HNC 15 credits in relevant science subject (must include Genetics unit and DNA Structure) with A in the Graded Units.

**Year 3**
HND in relevant subject with AB in the Graded Units.
**BSc (Hons) Computer Games (Art and Animation)***

**Year 3**  
HND 3D Computer Animation (or equivalent) with B in the Graded Units.

**Portfolio submission**  
All applicants are required to submit a digital portfolio to gauge creative potential, motivation and suitability for the programme. Portfolios may be shortlisted to allow for an interview stage from a smaller pool of applicants.

---

**BSc (Hons) Computer Games (Design)***

**Year 1**  
SWAP Access to STEM programme at ABB.

**Year 2**  
15 credit HNC Computer Games Development with A in Graded Unit. Must include one of the following units: Mathematics for Interactive Computing: Essential Techniques, Mathematics: Calculus and Matrices for Computing or Computer Programming: Applied Mathematics (level 7).

**Year 3**  
An HND in Computer Games Development (with a design-heavy delivery model). HND must include an A in Graded Units. Must include one of the following units in the HND; Mathematics for Interactive Computing: Essential Techniques, Mathematics: Calculus and Matrices for Computing or Computer Programming: Applied Mathematics (level 7) and one of the following units; Computer Programming: Applied Mathematics (level 8) or Mathematics for Computing 2 (level 8). HND must also include three from the following units (or equivalent): 2D Animation; 3D Level Editing; Games Interface Design; Game Design Theory; Designing and developing an interactive product games; Narrative and Genre in Computer Games; Game Customisation & Scripting or Game Design: Pitch to Treatment.

---

**BSc (Hons) Computer Games (Software Development)***

**Year 1**  
SWAP Access to STEM programme at ABB.

**Year 2**  
15 credit HNC Computer Games Development with A in Graded Unit. Must include one of the following units: Mathematics for Interactive Computing: Essential Techniques, Mathematics: Calculus and Matrices for Computing or Computer Programming: Applied Mathematics (level 7).

**Year 3**  
HND Computer Games Development (with the code heavy delivery model). HND must include an A in Graded Units. Must include one of the following units in the HND; Mathematics for Interactive Computing: Essential Techniques, Mathematics: Calculus and Matrices for Computing or Computer Programming: Applied Mathematics (level 7) and one of the following units; Computer Programming: Applied Mathematics (level 8) or Mathematics for Computing 2 (level 8). HND must also include one of the following games units; Artificial Intelligence for Computer Games; Game Customisation & Scripting or Game Physics and one of the following programming units (or equivalent): Software Development: Abstract Data Structures;Software Development: Rapid Applications Development and Prototyping; Software Development: Developing Websites for Multiplatform Use; Programming a Game for a Mobile Device or Software Development: Object Orientated Programming.
**MEng / BEng (Hons) Computer-Aided Mechanical Engineering**

**Year 1**

SWAP Access to STEM programme at BBB (BEng) or ABB (MEng).

**Year 2**

15 credit HNC in Mechanical Engineering or equivalent with B in Graded Unit and Engineering Mathematics 1, 2, 3 and 4. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 3 and 4. For more info: [www.gcu.ac.uk/mathssummerschool](http://www.gcu.ac.uk/mathssummerschool)

**Year 3**

HND in Mechanical Engineering or equivalent with B in the Graded Unit and Engineering Mathematics 1, 2, 3, 4 and 5. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 5.

For more info: [www.gcu.ac.uk/mathssummerschool](http://www.gcu.ac.uk/mathssummerschool)

**Part-time entry (for BEng only)**

**Year 1**

HNC Mechanical Engineering or other relevant Engineering subject with B in Graded Unit 1 and include Engineering Mathematics 1 and 2.

**Year 2**

HND Mechanical Engineering or other relevant Engineering subject with B in Graded Unit and include Engineering Mathematics 1, 2, 3 and 4.

**Part-time employment requirements**

Part-time applicants must be in full-time relevant employment and sponsored by their employer.

---

**BSc (Hons) Computer Networking**

**Year 3**

HND Computer Networking or Computing Technical Support with AA in the Graded Units plus passes in: Routing Technology unit or CCNA Semester 2 and either Mathematics for Computing 1, Mathematics for Computing: Essential Techniques or full attendance and successful completion of the GCU Summer School Maths programme. For more info: [www.gcu.ac.uk/mathssummerschool](http://www.gcu.ac.uk/mathssummerschool)

---

**BSc (Hons) Computing**

**Year 1**

SWAP Access to STEM programme at BBB.

**Year 3**

HND Computing (Software Development) including either: Database Design Fundamentals; Relational Database Management Systems; or Database Design and Programming in SQL. Plus* either Software Development: Developing Websites for Multiplatform Use or Web Development Dynamically Generated Content or Web Development Fundamentals.

Or HND Computer Science including: Software Development: Object Oriented Programming; Software Development: Object Oriented Analysis and Design; Software Development: Data Structures.

It is expected that successful applicants would have achieved grade A in both of the level 7 and level 8 Graded Units which make up their group award profile. *Applicants without this requirement may still be eligible for entry, but will have a restricted elective pathway choice.*
**BSc (Hons) Construction Management**

**Year 1**
SWAP Access to STEM programme at BBB.

**Year 2**
HNC in the subject area of Built Environment with a B in the Graded Unit.

**Year 3**
HND Construction Management with BB in the Graded Units. Other Built Environment HND programmes may be considered.

**Part-time entry**
**Year 2**
HNC Construction Management with B in the Graded Unit.

**Year 3**
HNC Construction Management with B in the Graded Unit and minimum of two years’ work experience.
Or HND Construction Management with B in the Graded Unit.

**Part-time Employment requirements**
All applicants to the part-time programme require to be in relevant employment within industry.

---

**BSc (Hons) Cyber Security and Networks**

**Year 1**
SWAP Access to STEM at CCC.

**Year 3**
HND Computing: Networking or HND Computing: Technical Support. Must have A in Graded Units 1 and 2.

---

**BSc (Hons) Diagnostic Imaging**

**Year 1**
Science-based HNC with B in the Graded Units. Applicants must also hold literacy and numeracy equivalent to National 5 level, with English being preferred at Higher Level. Communications 4 and Literature 1 are accepted in lieu of Higher English. SWAP Access to Radiography at Glasgow Kelvin College is also considered at BBB.

---

**BSc (Hons) Digital Design (Graphics)**

**Year 3**
HND with a B in the Graded Units in one of the following: HND Graphic Design, HND Digital Media, HND Visual Communication, HND Graphic Design for Print and New Media, HND Visual Communication.

**Portfolio**
All applicants will be expected to submit a digital portfolio to gauge creative potential, motivation and suitability for the programme. Portfolios may be short-listed to allow for an interview stage from a smaller pool of applications.
MEng / BEng (Hons) Electrical Power Engineering  

**Year 1**
SWAP Access to STEM programme at BBB (BEng) or ABB (MEng).

**Year 2**
15 credit HNC in Electrical/Electronic Engineering or equivalent with B in Graded Unit and Engineering Mathematics 1, 2, 3 and 4. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 3 and 4. For more info: www.gcu.ac.uk/mathssummerschool

**Year 3**
HND Electrical or Electronic Engineering or equivalent with a B in the Graded Units and Engineering Mathematics 1, 2, 3, 4 and 5. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 5. For more information visit www.gcu.ac.uk/mathssummerschool

**Part-time entry (BEng only)**

**Year 1**
HNC Electrical or Electronic Engineering or other relevant Engineering subject with B in Graded Unit 1 and include Engineering Mathematics 1 and 2.

**Year 2**
HND Electrical or Electronic Engineering or other relevant Engineering subject with B in Graded Unit and include Engineering Mathematics 1, 2, 3 and 4.

**Part-time employment requirements**
Part-time applicants must be in full-time relevant employment and sponsored by their employer.

MEng/BEng (Hons) Electrical and Electronic Engineering  

**Year 1**
SWAP Access to STEM programme at BBB (BEng) or ABB (MEng).

**Year 2**
15 credit HNC in Electrical or Electronic Engineering or equivalent with B in the Graded Unit and Engineering Mathematics 1, 2, 3 and 4. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 3 and 4. For more info: www.gcu.ac.uk/mathssummerschool

**Year 3**
HND Electrical or Electronic Engineering or equivalent with a B in the Graded Units and Engineering Mathematics 1, 2, 3, 4 and 5. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 5. For more information visit www.gcu.ac.uk/mathssummerschool

MEng/BEng (Hons) Electrical, Electronic and Energy Engineering  

**Year 3 full-time entry (MEng only)**
HND in Electrical or Electronic Engineering or equivalent with B in the Graded Units and Engineering Mathematics 1, 2, 3, 4 and 5. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 5. For more info: www.gcu.ac.uk/mathssummerschool

**Part-time entry (BEng only)**

**Year 3**
HND Electrical or Electronic Engineering or other relevant Engineering subject with B in Graded Units and include Engineering Mathematics 1, 2, 3, 4 and 5.

**Part-time employment requirements**
Part-time applicants must be in full-time relevant employment and sponsored by their employer.
**BSc (Hons) Environmental Civil Engineering**

**Year 1**
SWAP Access to STEM programme at BBB.
HNC Civil Engineering or Built Environment subject with B in Graded Unit

**Year 2**
HND Civil Engineering with B in Graded Units

**Year 3**
HND Civil Engineering with AA in Graded Units

**Part-Time entry**
**Year 1**
HNC Civil Engineering with B in the Graded Unit. HND in Built Environment or other Engineering subject plus evidence of Maths or Physics at Higher or equivalent level

**Year 2**
HND in Civil Engineering with B in the Graded Unit. If Fluid Mechanics unit has not been completed as part of the HND, a pass in the GCU Fluid Mechanics test will be required

**Year 3**
HND in Civil Engineering with A in the Graded Unit and including Hydraulics unit

**Additional Requirements**
Part-time applicants must be in full-time relevant employment within industry

---

**BSc (Hons) Environmental Management**

**Year 1**
SWAP Access to STEM or SWAP Access to Humanities programme at BBB.

**Year 2**
HNC in a Built Environment subject or HNC Social Sciences with A in the Graded Unit.

---

**BA (Hons) Finance, Investment and Risk**

**Year 1**
SWAP Access to STEM at BBB.

**Year 3**
HND Accounting or HND Business or HND Financial Services with AAB/AB in the Graded Units.
Other finance-related HND qualifications will be considered.

---

**BEng (Hons) Fire Risk Engineering**

**Year 1**
SWAP Access to STEM programme at BBB

**Year 2**
HNC/D Civil Engineering, Built Environment or relevant subject with BB in Graded Units.

**Part-time entry (Available in Glasgow and London)**
**Year 2**
HNC or HND qualification (Civil Engineering, Built Environment or equivalent) with B in the Graded Unit/s.
BSc (Hons) Food Bioscience

Year 1
SWAP Access to Science programme at BBB.
HNC in a relevant subject with a B in the Graded Units and sufficient coverage of chemistry.

Year 2
15 credit HNC in relevant science subject (must include Genetics unit and DNA Structure) with A in the Graded Units.

Year 3
HND in relevant subject with AB in the Graded Units.

BSc (Hons) Forensic Investigation

Year 1
SWAP Access to STEM programme at BBB.
HNC Applied Science with B in Graded Unit

Year 2
15 credit HNC Applied Science with B in Graded Unit.

BSc (Hons) Human Nutrition and Dietetics

Year 1
HNC Science Qualification must include sufficient coverage of chemistry or SWAP Access to Dietetics/Science at Glasgow Kelvin College at BBB.

BA (Hons) International Business (pathways in HRM or Tourism Management)

Year 1
SWAP Access to Humanities at ABB.

Year 3
Direct entry is available to the following pathways

BA (Hons) International Business
HND Business with AB/ABB in the Graded Units. Other related HND qualifications may be considered.

BA (Hons) International Business and Human Resource Management
HND Business with AB in the Graded Units. Priority will be given to applicants with at least two optional units in HRM, particularly those in HRM: Core Activities Unit. Other applicants will be considered on a case by case basis.

BA (Hons) International Business and Tourism Management
HND Travel and Tourism or HND Hospitality Management with AB/ABB in Graded Units. Other related HND qualifications may be considered

BA (Hons) International Business with Language.

Year 1
SWAP Access to Humanities at BBB. PLUS Higher French, Italian, German or Spanish at minimum C required.

BA (Hons) International Events Management

Year 1
SWAP Access to Humanities at BBB.

Year 3
HND Events Management or HND Hospitality Management with AB/BA in the Graded Units. Other related HND programmes may be considered.
BA (Hons) International Fashion Branding

Year 1
SWAP Access to Humanities at BBB.

Year 3
HND Fashion Business or HND Marketing or HND Retail Management with AB/ABB in the Graded Units. Other business-related HND qualifications may be considered.

UCAS code: W2N5

BA (Hons) International Fashion Business

Year 3
HND Fashion: Design and Production with Retail or HND Fashion Design and Manufacture with AB in the Graded Units. Other fashion related HND qualifications may be considered.

UCAS code: 8U9M

BA (Hons) International Marketing

Year 1
SWAP Access to Humanities at BBB.

Year 3
HND Marketing, HND Advertising and PR, HND Retail Management or HND Business with AA in the Graded Units. Other HND qualifications may be considered.

UCAS code: 3G5B

BA (Hons) International Sports Management

Year 3
HND Coaching and Developing Sport or HND Fitness, Health and Exercise or HND Applied Sports Science with AB/ABB in the Graded Units. Other sports-related HND programmes may be considered.

UCAS code: 3G5B

BA (Hons) International Supply Chain Management

Year 3
HND Supply Chain Management, HND Business, HND Retail Management or HND Administration and IT with B in the Graded Units. Other related HNDs qualifications may be considered.

UCAS code: 3T4W

MEng/BEng (Hons) Mechanical Electronic Systems Engineering

Year 3 Entry Only
HND in Mechanical Engineering with B in the Graded Units and Engineering Mathematics 1, 2, 3, 4 and 5. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 5. For more info: www.gcu.ac.uk/mathssummerschool

UCAS code: BEng H362
MEng H363
MEng / BEng (Hons) Mechanical Systems Engineering

Year 1 (BEng only)
SWAP Access to STEM programme at BBB (BEng) or ABB (MEng).

Year 2 (BEng only)
HNC in Mechanical Engineering or equivalent with B in the Graded Unit and Engineering Mathematics 1, 2, 3 and 4. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 3 and 4.
For more info: www.gcu.ac.uk/mathssummerschool

Part-time entry (for BEng only)
Year 1
HNC Mechanical Engineering or other relevant Engineering subject with B in Graded Unit 1 and include Engineering Mathematics 1 and 2.

Year 2
HND Mechanical Engineering or other relevant Engineering subject with B in Graded Unit and include Engineering Mathematics 1, 2, 3 and 4.

Part-time employment requirements
Part-time applicants must be in full-time relevant employment and sponsored by their employer.

MEng / BEng (Hons) Mechanical and Power Plant Systems

Year 3
HND in Mechanical Engineering or equivalent with B in the Graded Units and Engineering Mathematics 1, 2, 3, 4 and 5. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 5.
For more info: www.gcu.ac.uk/mathssummerschool

BA (Hons) Media and Communication

Year 1
SWAP Access to Humanities at BBB. Evidence of experience in media preferred.

Year 3
HND Creative Industries: Media and Communication or HND Advertising and PR with AB in the Graded Units.

BSc (Hons) Microbiology

Year 1
SWAP Access to Science programme at BBB. HNC in a relevant subject with a B in the Graded Units and sufficient coverage of chemistry.

Year 2
15 credit HNC in relevant science subject (must include Genetics unit and DNA Structure) with A in the Graded Units.

Year 3
HND in relevant subject with AB in the Graded Units.

BA (Hons) Multimedia Journalism

Year 3
HND Practical Journalism or HND Creative Industries: Media and Communication with a AB/BA in the Graded Units. Shortlisted applicants will also be required to attend an interview.
**BSc Nursing Studies (Adult)**

**Year 1**
SWAP Access to Nursing from partner colleges at BBB. Science-based HNCs will be considered. Applicants must have numeracy and literacy equivalent to National 5 level.

**Year 2**
HNC Care and Administrative Practice with B in the Graded Units, successful completion of 600 clinical hours but advised to achieve as close to 620 clinical hours as possible (in designated clinical area). Candidates need to obtain a minimum of 90% attendance at College and a minimum of 90% attendance at Practice Placement. Applications subject to interview and places and must be supported by the college partner.

---

**BSc (Hons) Nursing Studies (Adult)**

**Year 1**
Science or Health Care based HNCs will be considered. Applicants must have numeracy, literacy and a Science equivalent to National 5 level. HNC Care and Administrative Practice will be considered with a National 5 in any Science at C.

---

**BSc Nursing Studies (Child)**

**Year 1**
SWAP Access to Nursing at BBB. HNCs in a variety of subjects will be considered. Applicants must have literacy and numeracy at National 5 level.

---

**BSc (Hons) Nursing Studies (Child)**

**Year 1**
Science or Health Care based HNCs will be considered. Applicants must have numeracy, literacy and a Science equivalent to National 5 level. HNC Care and Administrative Practice will be considered with a National 5 Science at C.

---

**BSc (Hons) Nursing Studies (Dual Registration Learning Disability/Child)**

**Year 1**
HNC Care and Administrative Practice or a science-based HNC with an A in the Graded Unit will be considered. Applicants must have numeracy and literacy equivalent to National 5 level.

---

**BSc Nursing Studies (Learning Disabilities)**

**Year 1**
SWAP Access to Nursing from partner colleges at BBB. HNCs in a variety of subjects will be considered. Applicants must have literacy and numeracy at National 5 level.

**Year 2**
HNC Care and Administrative Practice with B in the Graded Units, successful completion of 600 clinical hours but advised to achieve as close to 620 clinical hours as possible (in designated clinical area). Candidates need to obtain a minimum of 90% attendance at College and a minimum of 90% attendance at Practice Placement. Applications subject to interview and places and must be supported by the college partner.

---

**BSc (Hons) Nursing Studies (Learning Disabilities)**

**Year 1**
Science or Health Care based HNCs will be considered. Applicants must have numeracy, literacy and a Science equivalent to National 5 level. HNC Care and Administrative Practice will be considered with a National 5 in any Science at C.

---

**ALL the nursing programmes**

*Additional requirements: Applicants require a reference relevant within the past 9 months. Applicants are expected to have evidence of assessed study within the last 5 years. Selected applicants will be invited to attend one of our Applicant Days as part of the admissions process. Applicants from non English speaking countries will require IELTS of 7 with 7 in all elements (even if you have completed an HNC)*
**BSc Nursing Studies (Mental Health)***

*UCAS code: B760*

**Year 1**

SWAP Access to Nursing from partner colleges at BBB. HNCs in a variety of subjects will be considered. Applicants must have numeracy and literacy equivalent to National 5 level.

**Year 2**

HNC Care and Administrative Practice with B in the Graded Units, successful completion of 600 clinical hours but advised to achieve as close to 620 clinical hours as possible (in designated clinical area). Candidates need to obtain a minimum of 90% attendance at College and a minimum of 90% attendance at Practice Placement. Applications subject to interview and places and must be supported by the college partner.

---

**BSc (Hons) Nursing Studies (Mental Health)***

*UCAS code: B762*

**Year 1**

Science or Health Care based HNCs will be considered. Applicants must have numeracy, literacy and a Science equivalent to National 5 level. HNC Care and Administrative Practice will be considered with a National 5 in any Science at C.

---

**BSc (Hons) Occupational Therapy**

*UCAS code: B930*

**Year 1**

SWAP Access to Health and Biological Sciences at Glasgow Clyde College with BBB. Applicants should demonstrate an understanding of the course and have relevant work/shadowing experience.

**Year 2**

HNC Occupational Therapy Support. Applicants will be required to attend interview as part of the admissions process.

---

**BSc (Hons) Optometry**

*UCAS code: B510*

**Year 1**

SWAP Access to Science and Technology/Ophthalmics with AAA on the first attempt and including 80% in Physics module. Science-based HNCs including Physics and Maths with A in the Graded Units. Other science-related HNC qualifications (including Physics) may be considered.

---

**BSc Oral Health Science**

*UCAS code: A990*

**Year 1**

HNC in Dental Nursing plus BBB from Scottish Higher to include Biology or Human Biology.
HND in Dental Nursing plus BB from Scottish Higher to include Biology or Human Biology.
Other science-based HNCs/ HNDs may be considered.
SVQ/NVQ/NEBDN in Dental Nursing must have BBB from Scottish Higher to include Biology or Human Biology or GCE A levels at BB to include Biology or Human Biology.
SWAP Access to Medical Studies or Access to Biological and Chemical Science.

**Additional requirements**

Selected applicants will be invited to attend interview as part of the admissions process.

---

**BSc (Hons) Orthoptics**

*UCAS code: B520*

**Year 1**

SWAP Access to Science and Technology/Ophthalmics with ABB and including 70% in Physics module.

---

**BSc Paramedic Science**

*UCAS code: B950*

**Year 1**

HNC in a relevant Health related subject must include Human Physiology or a science-based HNC plus Maths and English at National 5 C or equivalent.
SWAP Access Health or Science related area at grades BBB.
BSc (Hons) Pharmacology  
UCAS code: B210
Year 1
SWAP Access to Science programme at BBB. HNC in a relevant subject with a B in the Graded Units and sufficient coverage of chemistry.
Year 2
15 credit HNC in relevant science subject (must include Genetics unit and DNA Structure) with A in the Graded Unit.
Year 3
HND in relevant subject with AB in the Graded Units.

BSc (Hons) Physiotherapy  
UCAS code: B160
Year 1
HND Sports Therapy, Applied Sport and Exercise Science; Sports Science or Science-based HND with AA in the Graded Units. This must be supported with 2 Highers at C, including English and a Science.
SWAP Access to Health and Biological Sciences at Glasgow Clyde College with BBB on the first attempt. Other SWAP courses will be considered on a case by case basis. Applicants should demonstrate an understanding of the course and have relevant work/shadowing experience.

BSc (Hons) Podiatry  
UCAS code: B985
Year 1
SWAP Access to Health or Biological/Biomedical Science-related courses with BBB considered. HNC/D Biological/Biomedical Science, Sports Science/Therapy, including literacy and numeracy equivalent to National 5 level. Applicants should demonstrate an understanding of the course and have relevant work/shadowing experience.

BSc (Hons)Quantity Surveying  
UCAS code: K240
Year 1
SWAP Access to STEM programme at BBB.
Year 2
HNC Quantity Surveying or Built Environment subject with B in the Graded Unit.
Year 3
HND Quantity Surveying with an A in the Graded Unit. Other Built Environment HND programmes may be considered.
Part-time entry
Year 2
HNC Built Environment with B in the Graded Unit.
Year 3
HND Quantity Surveying with B in the Graded Unit.
Part-time employment requirements
Part-time applicants must be in full-time relevant employment and sponsored by their employer.

BSc (Hons) Radiotherapy and Oncology  
UCAS code: B822
Year 1

Explore the University

Our campus has recently undergone a £32 million transformation and provides one of the best learning environments in the UK. Located right in the centre of Glasgow – there’s everything a modern, international university has to offer.

Being a GCU student means gaining access to all of our modern facilities on campus, including:

**The award-winning library - The Saltire Centre**
The hub of the campus is the striking Saltire Centre, home to the University library. The building houses hundreds of thousands of books, 1,200 study spaces, over 350 computers, and the University’s Archives and Special Collections.

**The Arc Health and Fitness Gym**
Keep your fitness on track in our bright, modern health and fitness centre. There are numerous affordable classes and activities that you can take part in as well as University sports clubs, a hair salon and an on-campus physiotherapist.
All of our buildings are wheelchair accessible

Find out more: gcu.ac.uk/disability

Six on campus cafés
Including Scotland’s largest single student refectory, which serves everything from a healthy breakfast to a hearty lunch at student-friendly prices. Our learning cyber café, Real@Caledonian, is a friendly environment where you can work and relax, packed with sofas, study desks and computer workstations for 190 students.

Wifi and laptop hire
GCU provides a free laptop vending machine service allowing students to study remotely around campus.

On campus accommodation
Our ‘village in the city’, Caledonian Court, is home to over 600 students and is perfectly located alongside the campus. You will live in a friendly, multi-cultural community in a safe and convenient location. Our modern and spacious flats are set within landscaped grounds. Desks, free Wi-Fi, an on-site launderette and large communal spaces means you will quickly feel at home and make new friends from all over the world.
As a GCU student you will excel as a professional in your field. You will be entrepreneurial, confident, socially driven and capable of fulfilling leadership roles in a global context. You will push boundaries and solve problems to achieve positive change in the world around you.

We think you have what it takes - now is the time to start your career with GCU...
